My REVIEW of The Stone Giant

Who lives

* She is a girl in the village in the book The Stone Giant

Have you ever met a Giant?

Well Marion did! * The ^{other} critic

is a Stone Giant. And

this book is a kind ^{his} book.

The other kids were throwing pebbles at the Stone Giant but Marion

did not throw them because

she watched and wondered.

She thought he was not fierce and scary. She

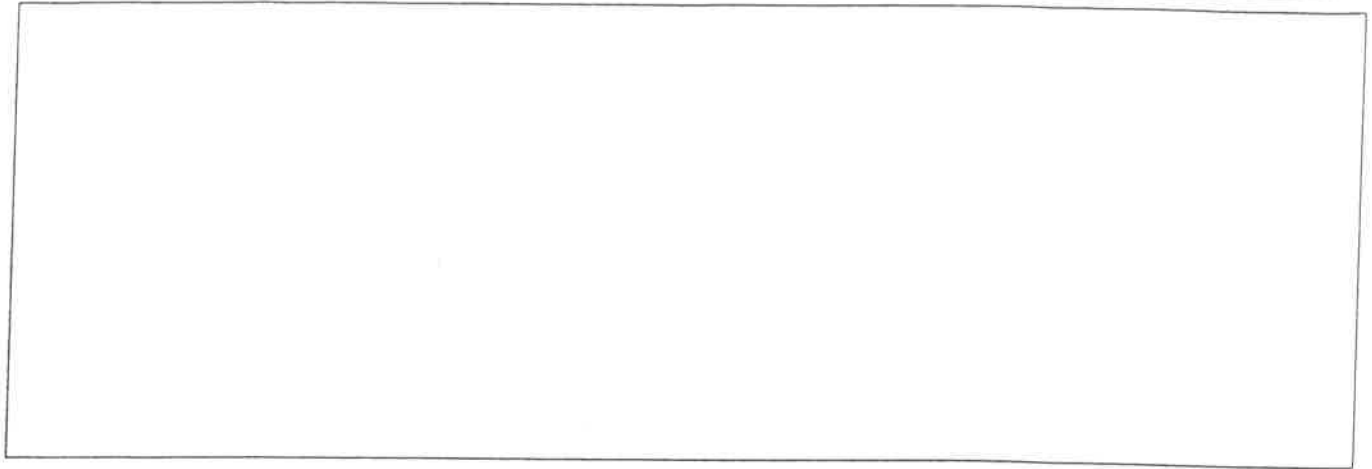

thought he needed help!

My REVIEW of

I like this book because it has
a Giant in it but not a
regular Giant a Giant
made out of big stones.
I thought the giant was mean
in the beginning because he was
growling but I was surprised about his
feelings! Can you guess why he's making these monster
~~so he was not scary.~~ sounds
This book is my favorite
kindness book!

My REVIEW of

Marion helped the giant when he fell on the ground. She was brave and kind. She did not care if he was scary she just wanted to help him! It is one of my favorite kindness Giant books. You should read this book. Right now!
