My REVIEW of

The Recess Queen

Do you like recess?
Picture this... a girl

stomping through your recess.

This is a BIG problem!

She likes to be
the boss of recess.

What do you think

she will do when

another girl walks into
school?

My REVIEW of

YOU will like it

Because there are

a lot of surprising

parts. There are special words

that the author writes like

lollapaloozed that you might like. Also

this book shows kindness

because a girl named

Katie Sue was so

kind She helped

Meantean be kind.
